

Mutual Collaboration Agreement Physiotherapy 2016 - Pakistan Physical Therapy Association (PPTA)

Conference Series LLC (Physiotherapy 2016 & Journal of Novel Physiotherapy) is glad to join hands with *Pakistan Physical Therapy Association (PPTA)* under a Mutual Collaboration Association benefiting each other with the complimentary promotional resources. We sincerely welcome you to participate as an honorable collaboration partner for our prestigious Physiotherapy 2016 International Conference & Journal of Novel Physiotherapy.

Conference Series LLC is conscious about the importance of reaching the targeted member/ scholars/ students/ practitioners/ market/ customers/ audience. So, we provide targeted promotion through our well visited websites to Business, Scientific and Industry Professionals through this Collaborative partnering platform.

As a Collaboration Partner, **Conference Series LLC (Physiotherapy 2016)** will benefit **Pakistan Physical Therapy Association (PPTA)** with the following:

1. Logo and Link of your organization at our conference website
2. Recognition listing as Collaboration Partnering the final conference program / proceedings
3. Opportunity to organize a symposium / workshop at the conference venue
4. Special registration price (with 30% on registration) for all the association members

As a Collaboration Partner, **Pakistan Physical Therapy Association (PPTA)** should benefit **Conference Series LLC (Physiotherapy 2016)** with the following support and suggestions:

1. Conference Banner and Link of our conference at their official website
2. Conference name spread for the proceedings
3. Mail notification to all the association members
4. Essential Sponsor contacts for this annual event

As we join hands to associate in a Mutual Collaboration Agreement Official Collaboration Partner, we would appreciate your suggestion and contribution towards the success of this conference and the related journals.
